

# HOT WORLD RULES

In this game a music will play and when it stops you have to answer a question.

1. The world can only be passed when the music is playing.
2. When the music stops, the world cannot be passed.
3. If it is passed when the music is stopped, it is deleted.
4. Whoever wins steals an anti-pollutant from the team of their choice.

# PLANTWORD

## RULES

This game is like Pasapalabra, where there are several words and thanks to their description you have to find out the word.

1. When a word fails, it is passed on to the next person.
2. If you don't know a word, you say pasapalabra and it's the next person's turn.
3. Everyone has three minutes to complete the donut.
4. Who wins can steal a pollutant from another group.
5. Who loses gets a pollutant.

# BROKEN PHONE

## RULES

We say a sentence and everyone has to repeat it to the person next to them:

1. The word must be said in whispers.
2. When the sentence reaches the last person, the last person has to say it out loud.
3. If you fail you have to steal a contaminant from a group.
4. If you get it right you steal an anti-pollutant.

There is a totem, and when we finish dictating the question, whoever knows the answer picks up the totem as fast as they can and answers.

1. NO hitting, pushing, shoving... when trying to pick up the totem pole.

2. The group that fails the most, steals a contaminant.

3. The group with the most correct answers steals a decontaminant.

# WHO AM I?

You place a card on your forehead without seeing it and you have to try to guess what you are:

1. Ask questions to others to help you guess your card.
2. If you guess who you are, draw a decontaminant.
3. If you fail, you get a pollutant.

# TRUE OR FALSE RULES

In this game, one person asks another person a question, and they have to say if it is true or false.

1. When the sentence is dictated to you, try to guess whether it is true or false.
2. If it is true, raise the tick paddle, if it is false, raise the cross paddle.
3. If you guess right, you steal a decontaminant.
4. If you fail you have a pollutant.

# KNOW THE WORLD RULES

In this game, you have to choose the correct answer among several options.

1. You will be given a question and several answers below and you must choose the correct one.
2. If you get it right, you steal a decontaminate.
3. If you fail, you lose one.
